

Centaur Liniments.

The lame can be healed and the wounded made whole. We now know just what the Centaur Liniment will do. They will not mend broken bones or cure Cancer, but they will extract soreness, allay pain, cure Rheumatism and a larger range of flesh, bone and muscle ailments than any article ever before discovered.

Scientific skill cannot go beyond the effects of these remarkable preparations. Chronic Rheumatism of many years' standing, Neuralgia, Weak Back, Fever Sores, Weeping-Sinews, Sciatica, Caked-Breasts, Distorted Joints and Sprained Limbs of the worst kind are cured by the White Centaur Liniment.

It will destroy the pain and heal without a scar all ordinary Burns and Scalds. It will extract the poison of Bites and Stings, and the frost from Frozen Limbs. It is very efficacious for Ear-ache, Tooth-ache, Itch and CUTANEOUS ERUPTIONS.

Mr. Josiah Westlake, of Marysville, O., writes:

"For years my Rheumatism has been so bad that I have been unable to stir from the house. The first three bottles of Centaur Liniment enabled me to walk without my crutches. I am mending rapidly. I think your Liniment simply a marvel."

C. H. Bennett, Druggist, Rock Prairie, Mo., says:

"Centaur Liniment sells better and gives the best satisfaction of anything in the market."

What the Centaur Liniment has done for others it will do for you. It is handy, it is reliable, and it is cheap.

The Yellow Centaur Liniment

It is worth its weight in gold to owners of horses and mules.

This Liniment has cured more Sprained, Swelled, Ring-boned and Galled Horses in three years than have all the Farriers in the country in any age. Its effects are simply wonderful.

We have thousands upon thousands of certificates as strong as the following:

"My horse was lame for a year with a fetlock wrench. All remedies utterly failed to cure and I considered him worthless until I commenced to use Centaur Liniment, which rapidly cured him. I heartily recommend it."

REV. GEO. W. FERRIS.

"Manorville, Schuylake Co., N. Y."

"Dear Sir:—I have used your Centaur Liniment in my family, and find it to be of great value. Please send me two dollars' worth, one for the mules and horses."

RILEY SICKLES.

"Falls Station, Wyoming Co., Pa."

It makes very little difference what the case is, whether it be Wrench, Sprain, Pull-Evil, Ringbone, Scratches or Lameness of any kind, the effects are the same. Livemen, Stage proprietors, Farmers, etc., should never be without the Yellow Centaur Liniment. It is sold everywhere and warranted in its effects.

Laboratory of J. B. Rose & Co., 46 DEY ST., NEW YORK.

Castoria

It is a mistake to suppose that Castoria is adapted to grown persons as well as Children. They only need to increase the quantity. But children have so many complaints for which Castoria is adapted—like Wind Colic, Sour Stomach, Worms, Tetters, Teething and Croup, that it is especially recommended for them.

Its effects are more certain than Castor Oil. It contains no alcohol and is as pleasant to take as honey. It never gives gripes. By regulating the stomach and bowels the Castoria cures the blood, expels worms and prevents feverishness, quiets the nerves and produces health—then of course children CAN SLEEP IN QUIET AND MOTHERS CAN REST.

Castoria is recommended by all physicians and nurses who have tried it, and it is having a rapidly increasing sale. It is prepared with great care after the recipe of Dr. Samuel Pitcher, of Mass., at the Laboratory of J. B. Rose & Co., 46 DEY STREET, NEW YORK.

Dora Rose, married to Preston Rose, of Douglas county, in the State of Illinois, VI- Wood, married to Wood, of Douglas county, State of Texas, and Betty Blossing, and Blanche Wood, married to Wood, of Douglas county, Ohio, filed in the Court of the State of Ohio, County of Gallia, Ohio, her petition against her husband, charging that on the 21st day of August, 1876, Rachel Thompson, of Gallia county, Ohio, married to Charles W. Rose, conveyed to her in fee simple, March 26th, 1876, the following real estate: Beginning at a corner post, corner of twenty acres conveyed by Howard to Samuel Wiley; thence westerly with the road to land of Samuel Wiley; thence east with said Wiley's land to S. W. corner of said twenty acres; thence south with said Wiley's land, being in section 2, T. 4, R. 10, Gallia county, Ohio. That she paid the full consideration therefor to said Charles W. Rose by the conveyance to said Rose of another tract, and by a note of \$100.00. That if now represented that you and others as the heirs-at-law of said Rachel Thompson, claim to said real estate. Said petition denies such interest, and prays judgment against you as such heirs, that if you have any interest therein, you may be ordered to convey the same to said Wiley, her heirs and assigns, and to quiet her title against your claims, and for other proper relief. That on the 14th day of October, 1876, the prayer of said petition will be taken as confessed against you at the next term of Court thereafter.

HAYES AND UNION FORM.

BY AN EX-SOLDIER OF CO. F, 2D U. S. A.

TUNE—"Castles in the Air."

Come all ye honest men,
Let each one raise his voice,
The time has come for every man
To let his heart rejoice.
We'll gather round the good old flag,
With hearts both true and warm;
And give three rousing cheers
For Hayes and Union form.

Chorus:—
Three cheers for Hayes;
Three for Wheeler, too;
Stand by the good old flag we love—
The red, white and blue.

Come, let us live with our free will—
Obey our country's laws;
The Constitution as it is;
The Union as a cause—
We'll take the good old Union ship,
And bravely face the storm;
And land her safe in port again,
With Hayes and Union form.

Chorus:—
Come, vote now for the Union plat,
Remember Washington;
The words of honest Government
Were saved with our Brave Sons.
Let's shout it loud to all the world,
And give the Union our right arm—
To let them know the people are
For Hayes and Union form.

Chorus:—
Come, rally round the same old flag
That won the country free.
When Hayes he fought in Union ranks,
And honest men made peace.
Unchange the Bird of Liberty,
That soars above the storm,
God bless our country! let us shout—
For Hayes and Union form.

Come, now's the time, 'twere better, far,
Than to sleep in our graves—
Than to vote for Tilden,
Who declared the war a fall.
Let Liberty lift up her eyes,
To heaven, and raise her arm,
And say, "thank God the country's
saved
Through Hayes and Union form.

Chorus:—
RUTLAND, O.

THEY tell a story in Maine: Mr. Coombs, Superintendent of the Knox and Lincoln Railroad, is a genial and popular man, but a Democrat withal. He had shown kindness to an Irishman living in Rockland, and the latter approached him the day after the late election, brimful of happiness, and said: "Mr. Coombs you were good to me last spring, and so I've voted the Black Republican ticket just to please ye." Pat, had never dreamed that so kindly and intelligent a gentleman could be anything but a Republican.

As old farmer at a fair at Hingham, Mass., the other day, thus illustrated his faith: "I used to think the old Whig party was the best party and the honestest party that ever was, and I guess I was right. Sometimes I think the Republicans are a hard set, but I've concluded that the stones in their field are all dug up and put in the wall, where we can see 'em, but the Democrats have sank theirs out of sight, but they are all the same, as you and I know. Guess we had better stick to the Republican party."

"ARE you going to make a flower bed here, Juddins?" asked a young lady of the gardener.

"Yes, miss; them's the orders," answered the gardener.

"Why, it will spoil our croquet ground!"

"Can't help it, miss; them's your pa's orders. He says he'll have it laid out for horticulture, not for husbandry!"

What He Was Yelling At.

"What is that man yelling at?" asked an Illinois farmer of his boy, as he pointed to a person in the field one day last week.

"What is he yelling at?" repeated the lad.

"Yes," replied the father inquiringly.

"I know," said the boy.

"Then what is it, you young rascal?" demanded the paternal.

"Why, chuckled the urchin, "he's yelling at—at the top of his voice!"

Then that cold-blooded husbandman placed violent hands on his irreverent offspring, and laid him over a fork-plow while he hailed him with a fork-stalk.—Chicago Journal.

Like his subjects, the Khedive of Egypt sleeps on the floor and finds it very convenient to roll up his bed and carry it to whatever spot may be coolest.

An Englishman has invented a folding boat which is made of canvas, stretched on iron ribs, similar to those of an umbrella.

SOMEBODY sends to this office some tablets that can be seen only with a microscope. He calls them "Tilden's income taxes."—N. Y. Graphic.
